

Dear Junior Volunteer Candidate:

Thank you for considering Mercy Medical Center for your volunteer experience. I have enclosed an application packet for you to complete before you start volunteering. Each area will be explained in this letter. .

The State of New York requires the following of all personnel working in the hospital:

- **Physical Examination:** A recent physical examination is required. If you have had an exam in the past year, just have your physician complete the reverse side of the form. You and your parents can complete the medical history.
- **PPD Tests:** Two PPD tests are required within two weeks of each other. This can be done free of charge at the Volunteer Office. Call my office at 705-1391 and make an appointment.
- **Proof of MMR Immunization:** If you have had 2 shots of measles, mumps, and rubella, just bring in a copy of these immunizations. If you need a second shot, please have your doctor administer it.
- **Signed Consents:** Please have your parents sign the consent for **PPD** (above); the Emergency Department's consent form, in case you have a life-threatening emergency while on duty; and consent for Hepatitis B immunization in case you choose to have it done.
- **Working Papers:** Please obtain a copy of your working papers for our file. These are obtained from your local high school.
- **Attend the Orientation:** Bring all papers to the orientation, **do not mail in. Bring a pen with you. You must park in lot number 8, the code for the gate is 1030#. If you park in any other lot you will have to pay a \$4.00 parking fee.**

Marks Lecture Hall- come in main entrance of hospital. Take the elevator to the basement, make a right when getting off the elevator, walk a few steps and make another right, Mark's Lecture Hall will be right in front of you.

- **Uniform Costs \$18.00:** When you're ready to start, pay the Volunteer Office where and pick up the uniform.
- **ID Badges:** There is a \$10 charge for your ID Badge, which will be refunded after you render 50 hours of volunteer service. The hours for badges are Monday, Wednesday, Thursday 10:00am-2:30PM and Tuesday and Friday 1:00-2:30pm. (You **MUST** make an appointment through the volunteer office.

If you are interested in volunteering, attend the Orientation even if all your papers are not complete.

Any questions please call 516-705-1391

Hope to see you soon.

Sincerely yours,

Kathleen Fee
Director, Volunteer Services

Dear Doctor:

_____ has applied to Mercy Medical Center for volunteer service that does not require professional training.

The New York State Department of Health regulations, Section 405.3, requires hospitals “to ensure that all volunteers whose assignments might affect patient health have an initial health assessment that includes immunization against rubella, measles, mumps, varicella (or such screening, if appropriate) two PPD skin tests, a follow-up PPD skin test every year, and an annual health assessment. The Medical Center need not provide these services, but must show that volunteers have received them.”

Please complete the attached form indicating that the applicant is cleared for service as a volunteer. PPD tests will be administered by Mercy Medical Center’s Volunteer Office.

Please return the form to the Volunteer Office in the enclosed self-addressed envelope or give it to the applicant for forwarding.

Very truly yours,

Kathleen Fee
Director, Volunteer Services

Medical History

PLEASE COMPLETE THE FOLLOWING

Medical / Surgical History:

Current Medications include over the counter medications and herbal supplements:

Allergies (Drug, Food, Environmental, Seasonal, Latex):

Have you ever had a positive/reactive PPD (TB) skin test? Yes No

This evaluation is for the purpose of determining my physical ability to perform my duties as a volunteer and is not considered a substitute for my total medical care by my private physician. I have read the above and declare that I have had no injury, illness or ailment other than specifically noted. I attest to the fact that I am free from a health impairment which is a potential risk to the patient or which might interfere with the performance of my duties, including the habituation or addiction to depressants, stimulants, narcotics, alcohol or other drugs or substances, which may alter my behavior (N.Y.S. Code 405.3 – b10).

Date _____

To be completed by Healthcare Provider:

The above named individual would like to volunteer services not requiring medical training. N.Y.S. Department of Health Code, section 405.3, requires the following tests to be completed before the individual starts volunteering. An accurate and honest evaluation of your patient's medical status is most important. Please complete all sections. This evaluation will become part of their confidential file. If you have any questions, please feel free to contact the volunteer office at 516 705-1391. Thank you.

A physical examination was performed on _____ and there is no evidence of communicable disease or any disability that would interfere with his/her anticipated responsibilities as a volunteer.

- At this time my patient **has no** restrictions to perform volunteer service.
- At this time my patient **has** restrictions to perform volunteer service.
